Drawings

2. New corrected drawings are required in this application because Drawings filed are informal drawings. Applicant is advised to employ the services of a competent patent draftsman outside the Office, as the U.S. Patent and Trademark Office no longer prepares new drawings. The corrected drawings are required in reply to the Office action to avoid abandonment of the application. The requirement for corrected drawings will not be held in abeyance.

Conclusion

3. The prior art made of record and not relied upon is considered pertinent to applicant's disclosure. Chapman (5,009,383), Delmore et al. (4,757,967), Jorgensen et al. (5,678,799),
